

Allianz Global Risks US Insurance Company et al. v. ACE Property & Casualty Insurance Company, et al.

Year: 2020

Court: In The Supreme Court of the State of Oregon

Case Number: 120404552

In its brief, UP weighed in to assist the Oregon Supreme Court in ruling on a dispute related to claims for long-tail coverage for environmental clean-up under policies with a variant of the standard “sudden and accidental” pollution exclusion. UP urged the court to correct the trial court’s erroneous jury instructions which suggested that the variant exclusion be treated differently than the standard exclusion.

This brief was drafted pro bono by Seth Row of Miller Nash Graham & Dunn LLP
