

## **Cussler v. Crusader Entertainment, LLC**

Year: 2009 Court: California Supreme Court Case Number: S181428

UP argued that the Court of Appeal's reversal of a jury verdict threatens the most basic expectation of a contracting party—that the other party will not act in bad faith to deprive it of the benefit of its bargain. This issue is of particular importance because insurance contracts routinely grant discretion to insurance companies, and insureds rely on that discretion being exercised in good faith.

UP's letter supporting petition for review was written by Amy Bach, Esq.
