

Monarch Casino & Resort, Inc. v. Affiliated FM Insurance Co.

Year: 2022

Court: United States Court of Appeals for the Tenth Circuit

Case Number: 22-1096

In its amicus curiae brief, UP supports coverage for an insured's business interruption losses related to the SARS-CoV-2 virus and COVID-19. UP's brief specifically addresses the non-applicability of a "contamination" exclusion and the scope of the policy's communicable disease coverage expansion. UP's brief also counters standard insurance industry "cries of wolf" that holding insurance companies to their promises threatens market solvency.
