

North State Deli, LLC, et al v. The Cincinnati Insurance Company, et al

Year: 2021

Court: North Carolina Court of Appeals

Case Number: COA 21-293

In its amicus curiae brief, UP supports coverage for an insured's business interruption losses related to the SARS-CoV-2 virus and COVID-19. UP argues that decades of case law demonstrate what the insurance industry and policyholders have long known: that "all risks" insurance policies protect insureds against a broad range of perils including carbon monoxide, odors, and viruses such as the one that causes COVID-19.
