

Saddle Ranch Sunset, LLC et al. v. Fireman's Fund Insurance Company, et al.

Year: 2022

Court: Court of Appeal of the State of California Second Appellate District, Division V

Case Number: B313609

In its amicus curiae brief, UP supports coverage for an insured's business interruption losses related to the SARS-CoV-2 virus and COVID-19. UP argues that decades of case law and on-point California state appellate court authority demonstrate what the insurance industry and policyholders have long known: that policies that provide coverage for "direct physical loss or damage" to property are triggered by the SARS-CoV-2 virus.
