Sullivan Management v. Fireman’s Fund Insurance Company

Year: 2022  
Court: South Carolina Supreme Court  
Case Number: 2021-001209

In its amicus curiae brief, UP supports coverage for an insured’s business interruption losses related to the SARS-CoV-2 virus and COVID-19. UP argues that decades of case law demonstrate what the insurance industry and policyholders have long known: that “all risks” insurance policies protect insureds against a broad range of perils including carbon monoxide, odors, and viruses such as the one that causes COVID-19.
