

[The Everett Clinic, PLLC v. Premera and Premerafirst, Inc](#)

Year: 2023

Court: Washington Supreme Court

Case Number: 101683-2

In its amicus brief, United Policyholders takes a pro-consumer and pro-insurer position in the context of Washington’s longstanding public policy commitment to price competition in the healthcare marketplace. UP’s brief urges the Court to interpret a disputed agreement in a way that fosters competition and protects against the monopolistic pricing of services in a healthcare marketplace increasingly dominated by healthcare conglomerates.
