United Policyholders' 2024 California Home Insurance Survey

The United Policyholders, a non-profit consumer organization that informs and advocates for insurance consumers and disaster survivors nationwide, has released its 2024 California Home Insurance Survey. Homeowners that have experienced insurance rate increases, recently been dropped by their insurer, or had to replace their home insurance, are encouraged to take this confidential annual survey. The information collected is utilized by United Policyholders to monitor and report on pricing availability and to develop helpful resources for the benefit of California residents. Take the survey [here](#).

Upcoming Public Hearings on AT&T's Request to Discontinue Landline Service

The California Public Utilities Commission (CPUC) will hold in-person and virtual public forums to receive customer input regarding AT&T's pending Application to discontinue copper landline phone service (more information [here](#)). Public comments may also be submitted [here](#). If approved by the CPUC, over 580,000 affected AT&T customers would be left with fewer options in terms of choice, quality, and affordability. Alternative services, such as Voice Over IP (VoIP) and wireless, have no obligation to serve a customer or to provide equivalent services to AT&T landline customers, including reliable access to 9-1-1 or LifeLine program discounts. RCRC opposes AT&T's Application and is a formal party to the proceeding.

HCD Launches Plumas County 2021 ReCoverCA Disaster Recovery Program - Apply Today!

The California Department of Housing and Community Development (HCD) has launched its 2021 ReCoverCA Housing Programs for residents of Plumas County!

Homeowners impacted by the 2021 Dixie Fire – including owner-occupants and landlords willing to rent their properties as affordable, single-family homes – may be eligible for the Single-Family Reconstruction (SFR) or Single-Family Mitigation Retrofits (SFM) Programs.

The *Single-Family Reconstruction (SFR) Program* offers eligible homeowners and landlords who lost homes in the Dixie Fire up to \$500,000 to help rebuild damaged or destroyed homes. The *Single-Family Mitigation Retrofits (SFM) Program* provides funds for defensible space and home hardening needs on homeowners' properties. Eligible homeowners can apply for up to \$50,000 for mitigation activities that bring a property into compliance with California Wildland Urban Interface Code.

Visit the [ReCoverCA website](#) for the 2021 applications, program details, eligibility, policies and procedures, fact sheets, and application instructions.
