

As Texas floods capture attention, experts urge Californians to reconsider flood insurance

While Californians are typically more concerned about wildfires than flooding, many are watching the devastation in Texas unfold. It's estimated that just 2% of households statewide carry a flood insurance policy. Amy Bach, the executive director of United Policyholders, joined us on 'The Nine,' who says having flood insurance is a great way to protect your home and finances.

The information presented in this publication is for general informational purposes and is not a substitute for legal advice. If you have a specific legal issue or problem, United Policyholders recommends that you consult with an attorney. Guidance on hiring professional help can be found in the "Find Help" section of www.uphelp.org. United Policyholders does not sell insurance or certify, endorse or warrant any of the insurance products, vendors, or professionals identified on our website.
