Featured Guest, Tristan Harris

Tristan Harris, author of *The Social Dilemma*, will join UP co-founder Amy Beck for a live conversation on how we've moved from being online to being *with* the Center for Humane Technology in doing to protect us.

Auction Preview

Here are just a few of the auction items guests can bid on...

Huddle with Papa

Wherever your love goes for football, baseball or basketball, three-time California Sportsman of the Year David Wright *Drug Papa* is the man. The winner of this unique experience and their guests will spend 45 minutes talking sports with Wright and special surprise guests via Zoom. Drug has been the play-by-play voice for the NFL, MLB, NBA, NHL, and Oakland Raiders.

A Peachy Experience

When the New York Times asked culinary legend Alton Brown what he would make for his last supper, his response was "I would have a Land Churn peach pie. And, August is the best time to visit the farm and the orchards. We have a private tour of the Dry Creek Peach Farm in Healdsburg, CA and enjoy a peach tasting."

Funds raised during UP to Good will help United Policyholders meet the high demand for the important disaster preparation and recovery and insurance consumer advocacy work we do across the nation.

From pandemics to natural disasters to everyday losses and adversity, people and communities rely on UP's expertise, respected voice and powerful national volunteer network to hold insurers to their promises.
