

Marshall Fire Impact Report

We are proud to share our Marshall Fire Impact Report. While there is no “end” to a recovery, there are many tangible signs that point to a healthy recovery in the greater Boulder area and UP is proud of our contribution to the process that expedited and increased the flow of insurance payouts.

The efforts and accomplishments in this report were made possible with generous donations of time, expertise and money from donors, volunteers and community partners. A special thank you to the Community Foundation of Boulder County/ Boulder County Wildfire Fund, our Marshall Fire Local Liaison Lisa Hughes, Boulder County Recovery Manager Gary Sanfacon, Colorado Insurance Commissioner Conway and Marshall ROC.
