Supporting Roadmap to Recovery™ services in disaster areas

You can help United Policyholders deploy staff and resources to comfort and guide victims of natural disasters where loss valuation, decision-making and the full and timely payment of insurance benefits are critically important. Your tax-deductible donation will help UP provide recovery services in disaster-ravaged communities in coordination with other charitable, government, and faith-based aid providers at Local Assistance and Disaster Resource Centers throughout the United States.

You can support a trusted charity that participates in official short and long term recovery efforts and your business will get positive publicity for pitching in. Please complete and return this form to Sydney Kersey via email Sydney@uphelp.org; phone (415) 393-9990 x 103; fax (415) 677-4170; or U.S. mail: 381 Bush St. 8th Floor San Francisco, CA 94104.

Thank you in advance for your gift!
