

Spread the word about our COVID-19 Loss Recovery Library

Our COVID-19 Loss Recovery library is designed to help small businesses collect all available insurance benefits to offset their losses and get back on their feet.

Just as we help individuals after disasters, we are helping the businesses that are a vital part of our communities – our neighbors and friends and the providers of essential services, jobs, and many of the activities we are all missing during the Shelter In Place.

We invite you, our supporters and informed consumers, to share this information to anyone who might would benefit from this give-back. Thank you so much for your support and engagement!
