

Support UP for Silicon Valley Gives!

Who can you trust for help getting a fair deal from your insurance company? An expert non-profit with 23 years of experience...a consumer organization that doesn't take money from insurers or sell insurance? That's United Policyholders!

Please consider making a tax-deductible gift to support our work on the Peninsula.

Today, thousands of area residents are going to show their support for their favorite nonprofit during [Silicon Valley Gives](#). For today only, every donation and donor we get will go further to help us claim our share of thousands of dollars in prize money.

“The workshop was really informative! We learned so much from your panelists, and plan to use all this good info as we move forward. Thanks so much!” Carolyn Tuite, San Bruno Explosion Survivor
