

[United Policyholders: February 2022 Events](#)

Mono County

United Policyholders (UP) is offering a Roadmap to Recovery® Q&A workshop in February for survivors of wildfires in California. You can submit your questions in advance and UP will address them during the webinar.

UP will also have two Survivor to Survivor Forums scheduled for February, where you can confer with past and current wildfire survivors. The forum is informal and private, only open to survivors and trained UP volunteers and staff.
