

<u>What homeowners can expect after Rolling</u> <u>Hills Estates landslide</u>

Spectrum News 1

"Inside the Issues" host Alex Cohen speaks with Amy Bach, executive director at United Policyholders, about what homeowners can expect after Rolling Hills Estates landslide.

Hector De La Torre of the California Air Resources Board talks about the environmental concerns behind hexavalent chromium.

And later, Matthew Weingarten, assistant professor of geological sciences at San Diego State University, talks about why there has been a lack of major earthquakes on the San Andreas fault.
