

Wildfire Mitigation & Insurance Project

Willits Weekly

If you take action to make your home less likely to be seriously damaged or destroyed in a wildfire, your insurance company should reward you with a discount on your premium ... or at the very least keep you as a customer and not drop you. United Policyholders' Wildfire Mitigation and Insurance Project aims to make this common-sense concept a reality.

The information presented in this publication is for general informational purposes and is not a substitute for legal advice. If you have a specific legal issue or problem, United Policyholders recommends that you consult with an attorney. Guidance on hiring professional help can be found in the "Find Help" section of www.uphelp.org. United Policyholders does not sell insurance or certify, endorse or warrant any of the insurance products, vendors, or professionals identified on our website.
