**TO THE HONORABLE CHIEF JUSTICE AND ASSOCIATE JUSTICES OF THE
SUPREME COURT OF CALIFORNIA**

Pursuant to California Rule of Evidence 451 and 452, and under the California Rules of Court, Rules 41 and 41.5, Attorneys for Amicus Curiae United Policyholders ("*Amicus Curiae*"), hereby move this Court to take judicial notice of the following documents:

1. In 1998, ISO issued a new policy form for CGL coverage, entitled "Revised Commercial General Liability Coverage Form CG 00 01 07 98 © 1997" ("1998 CGL Form"). A true and correct copy of the 1998 CGL Form is attached hereto as **Exhibit "A"** and is incorporated by reference herein.
2. On December 22, 1997, in anticipation of issuing the new 1998 CGL Form, ISO issued Filing Transmittal Form bearing No. GL97097FR ("12/22/97 Filing Transmittal Form"). The 12/22/97 Filing Transmittal Form described the new 1998 CGL Form and reported the states in which the form had been filed and approved. A true and correct copy of ISO's 12/22/97 Filing Transmittal Form is attached hereto as **Exhibit "B"** and is incorporated by reference herein.
3. The 12/22/97 Filing Transmittal Form affirmed that ISO's new policy language made changes to the "advertising injury/personal injury" coverage language. ISO's Filing Transmittal Form reported that by December 22, 1997,

ISO had successfully filed the 1998 ISO CGL policy form in a number of states, effective as of that date. However, the filing was effective as of February 1, 1999, in the following nine states: CA, PR, TX, VA, CT, FL, LA, MD, and NC.

4. In late 1997, ISO also issued an ISO Pronouncement titled the "1998 General Liability Multistate Forms Revision" reflecting the filing status of the 1998 CGL Form. A true and correct copy of the 1998 Multistate Forms Revision is attached hereto as **Exhibit "C"** and is incorporated by reference herein.

This request is based upon this Motion, the concurrently filed Memorandum of Points and Authorities in support of said motion, and the complete files and records of this action.

Respectfully submitted,

Dated: July 12 2002

MEMORANDUM OF POINTS AND AUTHORITIES

I. THE INSURANCE SERVICES OFFICE FORMS AND MEMORANDA ATTACHED AS RJN EXHIBITS "A" THROUGH "C" ARE PROPERLY SUBJECT TO JUDICIAL NOTICE BY THE COURT UNDER EVIDENCE CODE §§ 451 AND 452(b), AND CALIFORNIA LAW

The Insurance Services Office ("ISO") is the insurance industry organization which drafts standard form insurance policies in the United States. *Hartford Fire Ins. Co. v. California*, 509 U.S. 764, 113 S. Ct. 2891, 125 L. Ed. 2d 612 (1993). The ISO documents attached as **RJN Exhibits "A" through "C"** were filed with the California Department of Insurance and are therefore public records maintained by the State of California.

Evidence Code §§ 451 and 452 specifically authorize the Court to take judicial notice of materials that are generally knowledgeable, or which cannot reasonably be the subject of a dispute. In *Elmore v. Oak Valley Hosp. Dist.*, 251 Cal. Rptr. 405, 204 Cal. App. 3d 716 (Cal. App. 1988), the court took judicial notice of a statement filed with the Secretary of State and indexed in the "Roster of Public Agencies," as a public record of the State of California. Here, as in *Elmore*, the ISO documents are public records of an agency of the State of California.

Moreover, California has a strong public policy requiring regulation of the insurance business of the public interests. *People v. United Nat'l Life Ins. Co.*, 66 Cal. 2d 577, 595, 58 Cal. Rptr. 599, 427 P.2d 199 (Cal. 1964); *Ohio Casualty Ins. Co. v. Armendariz*, 224 Cal. App. 2d 56, 65, 36 Cal. Rptr. 274 (Cal. App. 1964). Furthermore, this Court has confirmed the importance of referring to drafting history and the interpretation of insurance policy

language in *Montrose Chem. Corp. Of California v. Admiral Ins. Co.*, 10 Cal. 4th 645, 670-71, 42 Cal. Rptr. 2d 324, 913 P.2d 878 (Cal. 1995):

Most courts and commentators have recognized, however, that the presence of standardized industry provisions and the availability of interpretive literature are of considerable assistance in determining coverage issues. (See, e.g., *Maryland Casualty Co. v. Reeder*, (1992) 21 Cal. App. 3d 961, 968, 270 Cal. Rptr. 719.) Such interpretive materials have been widely cited and relied on the relevant case law and authorities concerning standardized insurance policy language. (*Montrose*, *supra*, at 670-71).

Here, as in *Montrose*, the heart of this action is the proper interpretation of the coverage contained in the National Fire Insurance policies. Therefore, the Court should take judicial notice of the ISO documents attached as **RJN Exhibits "A" through "C"** since such ISO documents are determinative of the interpretation of coverage contained in the subject National Fire Insurance policies.

II. CONCLUSION

For the reasons stated above, the Court should take judicial notice of **RJN Exhibits "A through "C."**

Respectfully submitted,

SECTION I—COVERAGES

COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY

1. Insuring Agreement

- a. We will pay those sums that the insured becomes legally obligated to pay as damages because of "bodily injury" or "property damage" to which this insurance applies. We will have the right and duty to defend the insured against any "suit" seeking those damages. However, we will have no duty to defend the insured against any "suit" seeking damages for "bodily injury" or "property damage" to which this insurance does not apply. We may, at our discretion, investigate any "occurrence" and settle any claim or "suit" that may result. But
- (1) The amount we will pay for damages is limited as described in Section III—Limits Of Insurance; and
 - (2) Our right and duty to defend end when we have used up the applicable limit of insurance in the payment of judgments or settlements under Coverages A or B or medical expenses under Coverage C.

No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for under Supplementary Payments—Coverages A and B.

- b. This insurance applies to "bodily injury" and "property damage" only if:

- (1) The "bodily injury" or "property damage" is caused by an "occurrence" that takes place in the "coverage territory"; and
- (2) The "bodily injury" or "property damage" occurs during the policy period.

- c. Damages because of "bodily injury" include damages claimed by any person or organization for care, loss of services or death resulting at any time from the "bodily injury".

2. Exclusions

This insurance does not apply to:

a. Expected Or Intended Injury

"Bodily injury" or "property damage" expected or intended from the standpoint of the insured. This exclusion does not apply to "bodily injury" resulting from the use of reasonable force to protect persons or property.

b. Contractual Liability

"Bodily injury" or "property damage" for which the insured is obligated to pay damages by reason of the assumption of liability in a contract or agreement. This exclusion does not apply to liability for damages:

- (1) That the insured would have in the absence of the contract or agreement; or
- (2) Assumed in a contract or agreement that is an "insured contract", provided the "bodily injury" or "property damage" occurs subsequent to the execution of the contract or agreement. Solely for the purposes of liability assumed in an "insured contract", reasonable attorney fees and necessary litigation expenses incurred by or for a party other than an insured are deemed to be damages because of "bodily injury" or "property damage", provided:
 - (a) Liability to such party for, or for the cost of, that party's defense has also been assumed in the same "insured contract"; and

- (b) Such attorney fees and litigation expenses are for defense of that party against a civil or alternative dispute resolution proceeding in which damages to which this insurance applies are alleged.

c. Liquor Liability

"Bodily injury" or "property damage" for which any insured may be held liable by reason of:

- (1) Causing or contributing to the intoxication of any person;
- (2) The furnishing of alcoholic beverages to a person under the legal drinking age or under the influence of alcohol; or
- (3) Any statute, ordinance or regulation relating to the sale, gift, distribution or use of alcoholic beverages.

This exclusion applies only if you are in the business of manufacturing, distributing, selling, serving or furnishing alcoholic beverages.

d. Workers' Compensation and Similar Laws

Any obligation of the insured under a workers' compensation, disability benefits or unemployment compensation law or any similar law.

e. Employer's Liability

"Bodily injury" to:

- (1) An "employee" of the insured arising out of and in the course of:
 - (a) Employment by the insured; or
 - (b) Performing duties related to the conduct of the insured's business; or
- (2) The spouse, child, parent, brother or sister of that "employee" as a consequence of paragraph (1) above.

This exclusion applies:

- (1) Whether the insured may be liable as an employer or in any other capacity; and
- (2) To any obligation to share damages with or repay someone else who must pay damages because of the injury.

This exclusion does not apply to liability assumed by the insured under an "insured contract".

f. Pollution

- (1) "Bodily injury" or "property damage" arising out of the actual, alleged or threatened discharge, dispersal, seepage, migration, release or escape of "pollutants";

- (a) At or from any premises, site or location which is or was at any time owned or occupied by, or rented or loaned to, any insured. However, this subparagraph does not apply to:

- (i) "Bodily injury" if sustained within a building and caused by smoke, fumes, vapor or soot from equipment used to heat that building;

- (ii) "Bodily injury" or "property damage" for which you may be held liable, if you are a contractor and the owner or lessee of such premises, site or location has been added to your policy as an additional insured with respect to your ongoing operations performed for that additional insured at that premises, site or location and such premises, site or location is not and never was owned or occupied by, or rented or loaned to, any insured, other than that additional insured; or

- (iii) "Bodily injury" or "property damage" arising out of heat, smoke or fumes from a "hostile fire";

- (b) At or from any premises, site or location which is or was at any time used by or for any insured or others for the handling, storage, disposal, processing or treatment of waste;

- (c) Which are or were at any time transported, handled, stored, treated, disposed of, or processed as waste by or for any insured or any person or organization for whom you may be legally responsible; or

- (d) At or from any premises, site or location on which any insured or any contractors or subcontractors working directly or indirectly on any insured's behalf are performing operations if the "pollutants" are brought on or to the premises, site or location in connection with such operations by such insured, contractor or subcontractor. However, this subparagraph does not apply to:

(i) "Bodily injury" or "property damage" arising out of the escape of fuels, lubricants or other operating fluids which are needed to perform the normal electrical, hydraulic or mechanical functions necessary for the operation of "mobile equipment" or its parts, if such fuels, lubricants or other operating fluids escape from a vehicle part designed to hold, store or receive them. This exception does not apply if the "bodily injury" or "property damage" arises out of the intentional discharge, dispersal or release of the fuels, lubricants or other operating fluids, or if such fuels, lubricants or other operating fluids are brought on or to the premises, site or location with the intent that they be discharged, dispersed or released as part of the operations being performed by such insured, contractor or subcontractor;

(ii) "Bodily injury" or "property damage" sustained within a building and caused by the release of gases, fumes or vapors from materials brought into that building in connection with operations being performed by you or on your behalf by a contractor or subcontractor; or

(iii) "Bodily injury" or "property damage" arising out of heat, smoke or fumes from a "hostile fire".

- (e) At or from any premises, site or location on which any insured or any contractors or subcontractors working directly or indirectly on any insured's behalf are performing operations if the operations are to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, "pollutants".

- (2) Any loss, cost or expense arising out of any:

(a) Request, demand, order or statutory or regulatory requirement that any insured or others test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, "pollutants"; or

(b) Claim or suit by or on behalf of a governmental authority for damages because of testing for, monitoring, cleaning up, removing, containing, treating, detoxifying or neutralizing, or in any way responding to, or assessing the effects of, "pollutants".

However, this paragraph does not apply to liability for damages because of "property damage" that the insured would have in the absence of such request, demand, order or statutory or regulatory requirement, or such claim or "suit" by or on behalf of a governmental authority.

g. **Aircraft, Auto Or Watercraft**

"Bodily injury" or "property damage" arising out of the ownership, maintenance, use or entrustment to others of any aircraft, "auto" or watercraft owned or operated by or rented or loaned to any insured. Use includes operation and "loading or unloading".

This exclusion does not apply to:

- (1) A watercraft while ashore on premises you own or rent;
- (2) A watercraft you do not own that is:
- (a) Less than 26 feet long; and
- (b) Not being used to carry persons or property for a charge;
- (3) Parking an "auto" on, or on the ways next to, premises you own or rent, provided the "auto" is not owned by or rented or loaned to you or the insured;
- (4) Liability assumed under any "insured contract" for the ownership, maintenance or use of aircraft or watercraft; or
- (5) "Bodily injury" or "property damage" arising out of the operation of any of the equipment listed in paragraph f.(2) or f.(3) of the definition of "mobile equipment".

h. Mobile Equipment

"Bodily injury" or "property damage" arising out of:

- (1) The transportation of "mobile equipment" by an "auto" owned or operated by or rented or loaned to any insured; or
- (2) The use of "mobile equipment" in, or while in practice for, or while being prepared for, any prearranged racing, speed, demolition, or stunting activity.

i. War

"Bodily injury" or "property damage" due to war, whether or not declared, or any act or condition incident to war. War includes civil war, insurrection, rebellion or revolution. This exclusion applies only to liability assumed under a contract or agreement.

j. Damage To Property

"Property damage" to:

- (1) Property you own, rent, or occupy;
- (2) Premises you sell, give away or abandon, if the "property damage" arises out of any part of those premises;
- (3) Property loaned to you;
- (4) Personal property in the care, custody or control of the insured;
- (5) That particular part of real property on which you or any contractors or subcontractors working directly or indirectly on your behalf are performing operations, if the "property damage" arises out of those operations; or
- (6) That particular part of any property that must be restored, repaired or replaced because "your work" was incorrectly performed on it.

Paragraphs (1), (3) and (4) of this exclusion do not apply to "property damage" (other than damage by fire) to premises, including the contents of such premises, rented to you for a period of 7 or fewer consecutive days. A separate limit of insurance applies to Damage To Premises Rented To You as described in Section III—Limits Of Insurance.

Paragraph (2) of this exclusion does not apply if the premises are "your work" and were never occupied, rented or held for rental by you.

Paragraphs (3), (4), (5) and (6) of this exclusion do not apply to liability assumed under a sidetrack agreement.

Paragraph (6) of this exclusion does not apply to "property damage" included in the "products-completed operations hazard".

k. Damage To Your Product

"Property damage" to "your product" arising out of it or any part of it.

l. Damage To Your Work

"Property damage" to "your work" arising out of it or any part of it and included in the "products-completed operations hazard".

This exclusion does not apply if the damaged work or the work out of which the damage arises was performed on your behalf by a subcontractor.

m. Damage To Impaired Property Or Property Not Physically Injured

"Property damage" to "impaired property" or property that has not been physically injured, arising out of:

- (1) A defect, deficiency, inadequacy or dangerous condition in "your product" or "your work"; or
- (2) A delay or failure by you or anyone acting on your behalf to perform a contract or agreement in accordance with its terms.

This exclusion does not apply to the loss of use of other property arising out of sudden and accidental physical injury to "your product" or "your work" after it has been put to its intended use.

n. Recall Of Products, Work Or Impaired Property

Damages claimed for any loss, cost or expense incurred by you or others for the loss of use, withdrawal, recall, inspection, repair, replacement, adjustment, removal or disposal of:

- (1) "Your product";
- (2) "Your work"; or
- (3) "Impaired property";

if such product, work, or property is withdrawn or recalled from the market or from use by any person or organization because of a known or suspected defect, deficiency, inadequacy or dangerous condition in it.

o. Personal And Advertising Injury

"Bodily injury" arising out of "personal and advertising injury".

Exclusions c. through n. do not apply to damage by fire to premises while rented to you or temporarily occupied by you with permission of the owner. A separate limit of insurance applies to this coverage as described in Section III—Limits Of Insurance.

**COVERAGE B PERSONAL AND ADVERTISING
INJURY LIABILITY**

1. Insuring Agreement

- a. We will pay those sums that the insured becomes legally obligated to pay as damages because of "personal and advertising injury" to which this insurance applies. We will have the right and duty to defend the insured against any "suit" seeking those damages. However, we will have no duty to defend the insured against any "suit" seeking damages for "personal and advertising injury" to which this insurance does not apply. We may, at our discretion, investigate any offense and settle any claim or "suit" that may result. But:

- (1) The amount we will pay for damages is limited as described in Section III—Limits Of Insurance; and
- (2) Our right and duty to defend end when we have used up the applicable limit of insurance in the payment of judgments or settlements under Coverages A or B or medical expenses under Coverage C.

No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for under Supplementary Payments—Coverages A and B.

- b. This insurance applies to "personal and advertising injury" caused by an offense arising out of your business but only if the offense was committed in the "coverage territory" during the policy period.

2. Exclusions

This insurance does not apply to:

- a. "Personal and advertising injury":
- (1) Caused by or at the direction of the insured with the knowledge that the act would violate the rights of another and would inflict "personal and advertising injury";
 - (2) Arising out of oral or written publication of material, if done by or at the direction of the insured with knowledge of its falsity;
 - (3) Arising out of oral or written publication of material whose first publication took place before the beginning of the policy period;
 - (4) Arising out of a criminal act committed by or at the direction of any insured;
 - (5) For which the insured has assumed liability in a contract or agreement. This exclusion does not apply to liability for damages that the insured would have in the absence of the contract or agreement;

- b. Any loss, cost or expense arising out of any:

COVERAGE C MEDICAL PAYMENTS

1. Insuring Agreement

- a. We will pay medical expenses as described below for "bodily injury" caused by an accident:
- (1) On premises you own or rent;
 - (2) On ways next to premises you own or rent; or
 - (3) Because of your operations;
- provided that:
- (1) The accident takes place in the "coverage territory" and during the policy period;
 - (2) The expenses are incurred and reported to us within one year of the date of the accident; and
 - (3) The injured person submits to examination, at our expense, by physicians of our choice as often as we reasonably require.

- b. We will make these payments regardless of fault. These payments will not exceed the applicable limit of insurance. We will pay reasonable expenses for:

- (1) First aid administered at the time of an accident;
- (2) Necessary medical, surgical, x-ray and dental services, including prosthetic devices; and
- (3) Necessary ambulance, hospital, professional nursing and funeral services.

2. Exclusions

We will not pay expenses for "bodily injury":

- a. To any insured.
- b. To a person hired to do work for or on behalf of any insured or a tenant of any insured.
- c. To a person injured on that part of premises you own or rent that the person normally occupies.
- d. To a person, whether or not an "employee" of any insured, if benefits for the "bodily injury" are payable or must be provided under a workers compensation or disability benefits law or a similar law.
- e. To a person injured while taking part in athletics.
- f. Included within the "products-completed operations hazard".
- g. Excluded under Coverage A.
- h. Due to war, whether or not declared, or any act or condition incident to war. War includes civil war, insurrection, rebellion or revolution.

SUPPLEMENTARY PAYMENTS—COVERAGES A AND B

1. We will pay, with respect to any claim we investigate or settle, or any "suit" against an insured we defend:
 - a. All expenses we incur.
 - b. Up to \$250 for cost of bail bonds required because of accidents or traffic law violations arising out of the use of any vehicle to which the Bodily Injury Liability Coverage applies. We do not have to furnish these bonds.
 - c. The cost of bonds to release attachments, but only for bond amounts within the applicable limit of insurance. We do not have to furnish these bonds.
 - d. All reasonable expenses incurred by the insured at our request to assist us in the investigation or defense of the claim or "suit", including actual loss of earnings up to \$250 a day because of time off from work.

- a. All costs taxed against the insured in the "suit".
- f. Prejudgment interest awarded against the insured on that part of the judgment we pay. If we make an offer to pay the applicable limit of insurance, we will not pay any prejudgment interest based on that period of time after the offer.
- g. All interest on the full amount of any judgment that accrues after entry of the judgment and before we have paid, offered to pay, or deposited in court the part of the judgment that is within the applicable limit of insurance.

These payments will not reduce the limits of insurance.

2. If we defend an insured against a "suit" and an indemnitee of the insured is also named as a party to the "suit", we will defend that indemnitee if all of the following conditions are met:

- a. The "suit" against the indemnitee seeks damages for which the insured has assumed the liability of the indemnitee in a contract or agreement that is an "insured contract";
- b. This insurance applies to such liability assumed by the insured;
- c. The obligation to defend, or the cost of the defense of, that indemnitee, has also been assumed by the insured in the same "insured contract";
- d. The allegations in the "suit" and the information we know about the "occurrence" are such that no conflict appears to exist between the interests of the insured and the interests of the indemnitee;
- e. The indemnitee and the insured ask us to conduct and control the defense of that indemnitee against such "suit" and agree that we can assign the same counsel to defend the insured and the indemnitee; and
- f. The indemnitee:

(1) Agrees in writing to:

- (a) Cooperate with us in the investigation, settlement or defense of the "suit";
- (b) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the "suit";
- (c) Notify any other insurer whose coverage is available to the indemnitee; and
- (d) Cooperate with us with respect to coordinating other applicable insurance available to the indemnitee; and

- (2) Provides us with written authorization to:
- (a) Obtain records and other information related to the "suit"; and
 - (b) Conduct and control the defense of the indemnitee in such "suit".

So long as the above conditions are met, attorneys fees incurred by us in the defense of that indemnitee, necessary litigation expenses incurred by us and necessary litigation expenses incurred by the indemnitee at our request will be paid as Supplementary Payments. Notwithstanding the provisions of Paragraph 2.b.(2) of Section I—Coverage A—Bodily Injury And Property Damage Liability, such payments will not be deemed to be damages for "bodily injury" and "property damage" and will not reduce the limits of insurance.

Our obligation to defend an insured's indemnitee and to pay for attorneys' fees and necessary litigation expenses as Supplementary Payments ends when:

- a. We have used up the applicable limit of insurance in the payment of judgments or settlements; or
- b. The conditions set forth above, or the terms of the agreement described in Paragraph f. above, are no longer met.

SECTION II—WHO IS AN INSURED

1. If you are designated in the Declarations as:

- a. An individual, you and your spouse are insureds, but only with respect to the conduct of a business of which you are the sole owner.
- b. A partnership or joint venture, you are an insured. Your members, your partners, and their spouses are also insureds, but only with respect to the conduct of your business.
- c. A limited liability company, you are an insured. Your members are also insureds, but only with respect to the conduct of your business. Your managers are insureds, but only with respect to their duties as your managers.
- d. An organization other than a partnership, joint venture or limited liability company, you are an insured. Your "executive officers" and directors are insureds, but only with respect to their duties as your officers or directors. Your stockholders are also insureds, but only with respect to their liability as stockholders.

2. Each of the following is also an insured:

- a. Your "employees", other than either your "executive officers" (if you are an organization other than a partnership, joint venture or limited liability company) or your managers (if you are a limited liability company), but only for acts within the scope of their employment by you or while performing duties related to the conduct of your business. However, none of these "employees" is an insured for:

- (1) "Bodily injury" or "personal and advertising injury":

- (a) To you, to your partners or members (if you are a partnership or joint venture), to your members (if you are a limited liability company), or to a co-"employee" while that co-"employee" is either in the course of his or her employment or performing duties related to the conduct of your business;
- (b) To the spouse, child, parent, brother or sister of that co-"employee" as a consequence of Paragraph (1)(a) above;
- (c) For which there is any obligation to share damages with or repay someone else who must pay damages because of the injury described in Paragraphs (1)(a) or (b) above; or
- (d) Arising out of his or her providing or failing to provide professional health care services.

- (2) "Property damage" to property:

- (a) Owned, occupied or used by,
- (b) Rented to, in the care, custody or control of, or over which physical control is being exercised for any purpose by
you, any of your "employees", any partner or member (if you are a partnership or joint venture), or any member (if you are a limited liability company).
- b. Any person (other than your "employee"), or any organization while acting as your real estate manager.
- c. Any person or organization having proper temporary custody of your property if you die, but only:

Any other person or organization responsible for the conduct of such person is also an insured, but only with respect to liability arising out of the operation of the equipment, and only if no other insurance of any kind is available to that person or organization for this liability. However, no person or organization is an insured with respect to:

**SECTION IV—COMMERCIAL GENERAL
LIABILITY CONDITIONS**

1. Bankruptcy

Bankruptcy or insolvency of the insured or of the insured's estate will not relieve us of our obligations under this Coverage Part.

2. Duties In The Event Of Occurrence, Offense, Claim Or Suit

a. You must see to it that we are notified as soon as practicable of an "occurrence" or an offense which may result in a claim. To the extent possible, notice should include:

- (1) How, when and where the "occurrence" or offense took place;
- (2) The names and addresses of any injured persons and witnesses; and
- (3) The nature and location of any injury or damage arising out of the "occurrence" or offense.

b. If a claim is made or "suit" is brought against any insured, you must:

- (1) Immediately record the specifics of the claim or "suit" and the date received; and
- (2) Notify us as soon as practicable.

You must see to it that we receive written notice of the claim or "suit" as soon as practicable.

c. You and any other involved insured must:

- (1) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or "suit";
- (2) Authorize us to obtain records and other information;
- (3) Cooperate with us in the investigation or settlement of the claim or defense against the "suit"; and
- (4) Assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to the insured because of injury or damage to which this insurance may also apply.

d. No insured will, except at that insured's own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.

3. Legal Action Against Us

No person or organization has a right under this Coverage Part:

a. To join us as a party or otherwise bring us into a "suit" asking for damages from an insured; or

b. To sue us on this Coverage Part unless all of its terms have been fully complied with.

A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured obtained after an actual trial; but we will not be liable for damages that are not payable under the terms of this Coverage Part or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by us, the insured and the claimant or the claimant's legal representative.

4. Other Insurance

If other valid and collectible insurance is available to the insured for a loss we cover under Coverages A or B of this Coverage Part, our obligations are limited as follows:

a. Primary Insurance

This insurance is primary except when b. below applies. If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in c. below.

b. Excess Insurance

This insurance is excess over:

(1) Any of the other insurance, whether primary, excess, contingent or on any other basis:

- (a) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";
- (b) That is Fire insurance for premises rented to you or temporarily occupied by you with permission of the owner;
- (c) That is insurance purchased by you to cover your liability as a tenant for "property damage" to premises rented to you or temporarily occupied by you with permission of the owner; or
- (d) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to Exclusion g. of Section I—Coverage A—Bodily Injury And Property Damage Liability.

(2) Any other primary insurance available to you covering liability for damages arising out of the premises or operations for which you have been added as an additional insured by attachment of an endorsement.

When this insurance is excess, we will have no duty under Coverages A or B to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

- (1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
- (2) The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method Of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

5. Premium Audit

- a. We will compute all premiums for this Coverage Part in accordance with our rules and rates.
- b. Premium shown in this Coverage Part as advance premium is a deposit premium only. At the close of each audit period we will compute the earned premium for that period. Audit premiums are due and payable on notice to the first Named Insured. If the sum of the advance and audit premiums paid for the policy period is greater than the earned premium, we will return the excess to the first Named Insured.
- c. The first Named Insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

6. Representations

By accepting this policy, you agree:

- a. The statements in the Declarations are accurate and complete;
- b. Those statements are based upon representations you made to us; and
- c. We have issued this policy in reliance upon your representations.

7. Separation Of Insureds

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Coverage Part to the first Named Insured, this insurance applies:

- a. As if each Named Insured were the only Named Insured; and
- b. Separately to each insured against whom claim is made or "suit" is brought.

8. Transfer Of Rights Of Recovery Against Others To Us

If the insured has rights to recover all or part of any payment we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.

9. When We Do Not Renew

If we decide not to renew this Coverage Part, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than 30 days before the expiration date.

If notice is mailed, proof of mailing will be sufficient proof of notice.

**COVERAGE B PERSONAL AND ADVERTISING

1. Insuring Agreement

- a. We will pay those sums that the insured becomes legally obligated to pay as damages because of "personal and advertising injury" to which this insurance applies. We will have the right and duty to defend the insured against any "suit" seeking those damages. However, we will have no duty to defend the insured against any "suit" seeking damages for "personal and advertising injury" to which this insurance does not apply. We may, at our discretion, investigate any offense and settle any claim or "suit" that may result. But:

- (1) The amount we will pay for damages is limited as described in Section III—Limits Of Insurance; and
- (2) Our right and duty to defend end when we have used up the applicable limit of insurance in the payment of judgments or settlements under Coverages A or B or medical expenses under Coverage C.

No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for under Supplementary Payments—Coverages A and B.

- b. This insurance applies to "personal and advertising injury" caused by an offense arising out of your business, but only if:

- (1) When notice of such claim is received and recorded by any insured or by us, whichever comes first; or

- (2) When we make settlement in accordance with Paragraph 1.a. above.

All claims for damages because of "personal injury and advertising injury" to the same person or organization as a result of an offense will be deemed to have been made at the time the first of those claims is made against any insured.

2. Exclusions

- e. To a person injured while taking part in athletics.
- f. Included within the "products-completed operations hazard".
- g. Excluded under Coverage A.
- h. Due to war, whether or not declared, or any act or condition incident to war. War includes civil war, insurrection, rebellion or revolution.

SUPPLEMENTARY PAYMENTS—COVERAGES A AND B

- 1. We will pay, with respect to any claim we investigate or settle or any "suit" against an insured we defend:
 - a. All expenses we incur.
 - b. Up to \$250 for cost of bail bonds required because of accidents or traffic law violations arising out of the use of any vehicle to which the Bodily Injury Liability Coverage applies. We do not have to furnish these bonds.
 - c. The cost of bonds to release attachments, but only for bond amounts within the applicable limit of insurance. We do not have to furnish these bonds.
 - d. All reasonable expenses incurred by the insured at our request to assist us in the investigation or defense of the claim or "suit", including actual loss of earnings up to \$250 a day because of time off from work.
 - e. All costs taxed against the insured in the "suit".
 - f. Prejudgment interest awarded against the insured on that part of the judgment we pay. If we make an offer to pay the applicable limit of insurance, we will not pay any prejudgment interest based on that period of time after the offer.
 - g. All interest on the full amount of any judgment that accrues after entry of the judgment and before we have paid, offered to pay, or deposited in court the part of the judgment that is within the applicable limit of insurance.

These payments will not reduce the limits of insurance.

2. If we defend an insured against a "suit" and an indemnitee of the insured is also named as a party to the "suit", we will defend that indemnitee if all of the following conditions are met:

- a. The "suit" against the indemnitee seeks damages for which the insured has assumed the liability of the indemnitee in a contract or agreement that is an "insured contract";
- b. This insurance applies to such liability assumed by the insured;
- c. The obligation to defend, or the cost of the defense of, that indemnitee, has also been assumed by the insured in the same "insured contract";
- d. The allegations in the "suit" and the information we know about the "occurrence" are such that no conflict appears to exist between the interests of the insured and the interests of the indemnitee;
- e. The indemnitee and the insured ask us to conduct and control the defense of that indemnitee against such "suit" and agree that we can assign the same counsel to defend the insured and the indemnitee; and
- f. The indemnitee:

(1) Agrees in writing to:

- (a) Cooperate with us in the investigation, settlement or defense of the "suit";

- (c) Notify any other insurer whose coverage is available to the indemnitee; and
- (d) Cooperate with us with respect to coordinating other applicable insurance available to the indemnitee; and

(2) Provides us with written authorization to:

- (a) Obtain records and other information related to the "suit"; and
- (b) Conduct and control the defense of the indemnitee in such "suit".

So long as the above conditions are met, attorneys' fees incurred by us in the defense of that indemnitee, necessary litigation expenses incurred by us and necessary litigation expenses incurred by the indemnitee at our request will be paid as Supplementary Payments. Notwithstanding the provisions of Paragraph 2.b.(2) of Section I—Coverage A—Bodily Injury And Property Damage Liability, such payments will not be deemed to be damages for "bodily injury" and "property damage" and will not reduce the limits of insurance.

Our obligation to defend an insured's indemnitee and to pay for attorneys' fees and necessary litigation expenses as Supplementary Payments ends when:

- a. We have used up the applicable limit of insurance in the payment of judgments or settlements; or
- b. The conditions set forth above, or the terms of the agreement described in Paragraph f. above, are no longer met.

SECTION II—WHO IS AN INSURED

1. If you are designated in the Declarations as:

- a. An individual, you and your spouse are insureds, but only with respect to the conduct of a business of which you are the sole owner.
- b. A partnership or joint venture, you are an insured. Your members, your partners, and their spouses are also insureds, but only with respect to the conduct of your business.
- c. A limited liability company, you are an insured. Your members are also insureds, but only with respect to the conduct of your business. Your managers are insureds, but only with respect to their duties as your managers.
- d. An organization other than a partnership, joint venture or limited liability company, you are an insured. Your "executive officers" and directors are insureds, but only with respect to their duties as your officers or directors. Your stockholders are also insureds, but only with respect to their liability as stockholders.

2. Each of the following is also an insured:

- a. Your "employees", other than either your "executive officers" (if you are an organization other than a partnership, joint venture or limited liability company) or your managers (if you are a limited liability company), but only for acts within the scope of their employment by you or while performing duties related to the conduct of your business. However, none of these "employees" is an insured for:

(1) "Bodily injury" or "personal and advertising injury":

- (a) To you, to your partners or members (if you are a partnership or joint venture), to your members (if you are a limited liability company), or to a co-"employee" while that co-"employee" is either in the course of his or her employment or while performing duties related to the conduct of your business;
- (b) To the spouse, child, parent, brother or sister of that co-"employee" as a consequence of Paragraph (1)(a) above;

(b) Rented to, in the care, custody or control of, or over which physical control is being exercised for any purpose by

you, any of your "employees", any partner or member (if you are a partnership or joint venture), or any member (if you are a limited liability company).

b. Any person (other than your "employee") or any organization while acting as your real estate manager.

c. Any person or organization having proper temporary custody of your property if you die, but only:

(1) With respect to liability arising out of the maintenance or use of that property; and

(2) Until your legal representative has been appointed.

d. Your legal representative if you die, but only with respect to duties as such. That representative will have all your rights and duties under this Coverage Part.

3. With respect to "mobile equipment" registered in your name under any motor vehicle registration law, any person is an insured while driving such equipment along a public highway with your permission. Any other person or organization responsible for the conduct of such person is also an insured, but only with respect to liability arising out of the operation of the equipment, and only if no other insurance of any kind is available to that person or organization for this liability. However, no person or organization is an insured with respect to:

a. "Bodily injury" to a co-"employee" of the person driving the equipment; or

b. "Property damage" to property owned by, rented to, in the charge of or occupied by you or the employer of any person who is an insured under this provision.

4. Any organization you newly acquire or form, other than a partnership, joint venture or limited liability company, and over which you maintain ownership or majority interest, will qualify as a Named Insured if there is no other similar insurance available to that organization. However:

a. Coverage under this provision is afforded only until the 90th day after you acquire or form the organization or the end of the policy period, whichever is earlier;

b. Coverage A does not apply to "bodily injury" or "property damage" that occurred before you acquired or formed the organization; and

c. Coverage B does not apply to "personal and advertising injury" arising out of an offense committed before you acquired or formed the organization.

No person or organization is an insured with respect to the conduct of any current or past partnership, joint venture or limited liability company that is not shown as a Named Insured in the Declarations.

SECTION III—LIMITS OF INSURANCE

1. The Limits of Insurance shown in the Declarations and the rules below fix the most we will pay regardless of the number of:

a. Insureds;

b. Claims made or "suits" brought; or

c. Persons or organizations making claims or bringing "suits".

2. The General Aggregate Limit is the most we will pay for the sum of:

a. Medical expenses under Coverage C;

b. Damages under Coverage A, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard"; and

c. Damages under Coverage B.

3. The Products-Completed Operations Aggregate Limit is the most we will pay under Coverage A for damages because of "bodily injury" and "property damage" included in the "products-completed operations hazard".

4. Subject to 2. above, the Personal and Advertising Injury Limit is the most we will pay under Coverage B for the sum of all damages because of all "personal and advertising injury" sustained by any one person or organization.

5. Subject to 2. or 3. above, whichever applies, the Each Occurrence Limit is the most we will pay for the sum of:
 - a. Damages under Coverage A; and
 - b. Medical expenses under Coverage C because of all "bodily injury" and "property damage" arising out of any one "occurrence".
6. Subject to 5. above, the Damage To Premises Rented To You Limit is the most we will pay under Coverage A for damages because of "property damage" to any one premises, while rented to you, or in the case of damage by fire, while rented to you or temporarily occupied by you with permission of the owner.
7. Subject to 5. above, the Medical Expense Limit is the most we will pay under Coverage C for all medical expenses because of "bodily injury" sustained by any one person.

The Limits of Insurance of this Coverage Part apply separately to each consecutive annual period and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in the Declarations, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Limits of Insurance.

SECTION IV—COMMERCIAL GENERAL LIABILITY CONDITIONS

1. Bankruptcy

Bankruptcy or insolvency of the insured or of the insured's estate will not relieve us of our obligations under this Coverage Part.

2. Duties In The Event Of Occurrence, Offense, Claim Or Suit

- a. You must see to it that we are notified as soon as practicable of an "occurrence" or offense which may result in a claim. To the extent possible, notice should include:

- (1) How, when and where the "occurrence" or offense took place;
- (2) The names and addresses of any injured persons and witnesses; and
- (3) The nature and location of any injury or damage arising out of the "occurrence" or offense.

Notice of an "occurrence" or offense is not notice of a claim.

- b. If a claim is received by any insured, you must:
 - (1) Immediately record the specifics of the claim and the date received; and

- (2) Notify us as soon as practicable.

You must see to it that we receive written notice of the claim as soon as practicable.

- c. You and any other involved insured must:

- (1) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or a "suit";
- (2) Authorize us to obtain records and other information;
- (3) Cooperate with us in the investigation or settlement of the claim or defense against the "suit"; and
- (4) Assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to the insured because of injury or damage to which this insurance may also apply.

- d. No insured will, except at that insured's own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.

3. Legal Action Against Us

No person or organization has a right under this Coverage Part:

- a. To join us as a party or otherwise bring us into a "suit" asking for damages from an insured; or
- b. To sue us on this Coverage Part unless all of its terms have been fully complied with.

A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured obtained after an actual trial; but we will not be liable for damages that are not payable under the terms of this Coverage Part or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by us, the insured and the claimant or the claimant's legal representative.

4. Other Insurance

If other valid and collectible insurance is available to the insured for a loss we cover under Coverages A or B of this Coverage Part, our obligations are limited as follows:

a. Primary Insurance

This insurance is primary except when b. below applies. If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in c. below.

b. Excess Insurance

This insurance is excess over:

- (1) Any of the other insurance, whether primary, excess, contingent or on any other basis:
 - (a) That is effective prior to the beginning of the policy period shown in the Declarations of this insurance and applies to "bodily injury" or "property damage" on other than a claims-made basis, if:
 - (i) No Retroactive Date is shown in the Declarations of this insurance; or
 - (ii) The other insurance has a policy period which continues after the Retroactive Date shown in the Declarations of this insurance;
 - (b) That is Fire, Extended Coverage, Builders' Risk, Installation Risk or similar coverage for "your work";
 - (c) That is Fire insurance for premises rented to you or temporarily occupied by you with permission of the owner;
 - (d) That is insurance purchased by you to cover your liability as a tenant for "property damage" to premises rented to you or temporarily occupied by you with permission of the owner; or
 - (e) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to Exclusion g. of Section I—Coverage A—Bodily Injury And Properly Damage Liability.
- (2) Any other primary insurance available to you covering liability for damages arising out of the premises or operations for which you have been added as an additional insured by attachment of an endorsement.

When this insurance is excess, we will have no duty under Coverages A or B to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

- (1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
- (2) The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method Of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

5. Premium Audit

- a. We will compute all premiums for this Coverage Part in accordance with our rules and rates.
- b. Premium shown in this Coverage Part as advance premium is a deposit premium only. At the close of each audit period we will compute the earned premium for that period.

Audit premiums are due and payable on notice to the first Named Insured. If the sum of the advance and audit premiums paid for the policy period is greater than the earned premium, we will return the excess to the first Named Insured.
- c. The first Named Insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

6. Representations

By accepting this policy, you agree:

- a. The statements in the Declarations are accurate and complete;
- b. Those statements are based upon representations you made to us; and
- c. We have issued this policy in reliance upon your representations.

7. Separation Of Insureds

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Coverage Part to the first Named Insured, this insurance applies:

- a. As if each Named Insured were the only Named Insured; and
- b. Separately to each insured against whom claim is made or "suit" is brought.

8. Transfer Of Rights Of Recovery Against Others To Us

If the insured has rights to recover all or part of any payment we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.

9. When We Do Not Renew

If we decide not to renew this Coverage Part, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than 30 days before the expiration date.

If notice is mailed, proof of mailing will be sufficient proof of notice.

10. Your Right To Claim And "Occurrence" Information

We will provide the first Named Insured shown in the Declarations the following information relating to this and any preceding general liability claims-made Coverage Part we have issued to you during the previous three years:

- a. A list or other record of each "occurrence", not previously reported to any other insurer, of which we were notified in accordance with Paragraph 2.a. of the Section IV—Duties In The Event Of Occurrence, Offense, Claim Or Suit Condition. We will include the date and brief description of the "occurrence" if that information was in the notice we received.
- b. A summary by policy year, of payments made and amounts reserved, stated separately, under any applicable General Aggregate Limit and Products-Completed Operations Aggregate Limit.

Amounts reserved are based on our judgment. They are subject to change and should not be regarded as ultimate settlement values.

You must not disclose this information to any claimant or any claimant's representative without our consent.

If we cancel or elect not to renew this Coverage Part, we will provide such information no later than 30 days before the date of policy termination. In other circumstances, we will provide this information only if we receive a written request from the first Named Insured within 60 days after the end of the policy period. In this case, we will provide this information within 45 days of receipt of the request.

We compile claim and "occurrence" information for our own business purposes and exercise reasonable care in doing so. In providing this information to the first Named Insured, we make no representations or warranties to insureds, insurers, or others to whom this information is furnished by or on behalf of any insured. Cancellation or non-renewal will be effective even if we inadvertently provide inaccurate information.

SECTION V—EXTENDED REPORTING PERIODS

1. We will provide one or more Extended Reporting Periods, as described below, if:
 - a. This Coverage Part is canceled or not renewed; or
 - b. We renew or replace this Coverage Part with insurance that:
 - (1) Has a Retroactive Date later than the date shown in the Declarations of this Coverage Part; or
 - (2) Does not apply to "bodily injury", "property damage" or "personal and advertising injury" on a claims-made basis.

2. Extended Reporting Periods do not extend the policy period or change the scope of coverage provided. They apply only to claims for:

- a. "Bodily injury" or "property damage" that occurs before the end of the policy period but not before the Retroactive Date, if any, shown in the Declarations; or
- b. "Personal injury and advertising injury" caused by an offense committed before the end of the policy period but not before the Retroactive Date, if any, shown in the Declarations.

Once in effect, Extended Reporting Periods may not be canceled.

3. A Basic Extended Reporting Period is automatically provided without additional charge. This period starts with the end of the policy period and lasts for:
 - a. Five years with respect to claims because of "bodily injury" and "property damage" arising out of an "occurrence" reported to us, not later than 60 days after the end of the policy period, in accordance with Paragraph 2.a. of the Section IV—Duties In The Event Of Occurrence, Offense, Claim Or Suit Condition;
 - b. Five years with respect to claims because of "personal and advertising injury" arising out of an offense reported to us, not later than 60 days after the end of the policy period, in accordance with Paragraph 2.a. of the Section IV—Duties In The Event Of Occurrence, Offense, Claim Or Suit Condition; and

- c. Sixty days with respect to claims arising from "occurrences" or offenses not previously reported to us.

The Basic Extended Reporting Period does not apply to claims that are covered under any subsequent insurance you purchase, or that would be covered but for exhaustion of the amount of insurance applicable to such claims.

4. The Basic Extended Reporting Period does not reinstate or increase the Limits of Insurance.
5. A Supplemental Extended Reporting Period of unlimited duration is available, but only by an endorsement and for an extra charge. This supplemental period starts when the Basic Extended Reporting Period, set forth in Paragraph 3. above, ends.

You must give us a written request for the endorsement within 60 days after the end of the policy period. The Supplemental Extended Reporting Period will not go into effect unless you pay the additional premium promptly when due.

We will determine the additional premium in accordance with our rules and rates. In doing so, we may take into account the following:

- a. The exposures insured;
- b. Previous types and amounts of insurance;
- c. Limits of Insurance available under this Coverage Part for future payment of damages; and
- d. Other related factors.

The additional premium will not exceed 200% of the annual premium for this Coverage Part.

This endorsement shall set forth the terms, not inconsistent with this Section, applicable to the Supplemental Extended Reporting Period, including a provision to the effect that the insurance afforded for claims first received during such period is excess over any other valid and collectible insurance available under policies in force after the Supplemental Extended Reporting Period starts.

6. If the Supplemental Extended Reporting Period is in effect, we will provide the supplemental aggregate limits of insurance described below, but only for claims first received and recorded during the Supplemental Extended Reporting Period.

The supplemental aggregate limits of insurance will be equal to the dollar amount shown in the Declarations in effect at the end of the policy period for such of the following limits of insurance for which a dollar amount has been entered:

General Aggregate Limit
Products-Completed Operations Aggregate Limit

Paragraphs 2. and 3. of Section III—Limits Of Insurance will be amended accordingly. The Personal and Advertising Injury Limit, the Each Occurrence Limit and the Fire Damage Limit shown in the Declarations will then continue to apply, as set forth in Paragraphs 4., 5. and 6. of that Section.

 - (b) The activities of a person whose home is in the territory described in a. above, but is away for a short time on your business; and
 - (2) The insured's responsibility to pay damages is determined in a "suit" on the merits, in the territory described in a. above or in a settlement we agree to.
5. "Employee" includes a "leased worker". "Employee" does not include a "temporary worker".
6. "Executive officer" means a person holding any of the officer positions created by your charter, constitution, by-laws or any other similar governing document.
7. "Hostile fire" means one which becomes uncontrollable or breaks out from where it was intended to be.

- b. You have failed to fulfill the terms of a contract or agreement;

if such property can be restored to use by:

- a. The repair, replacement, adjustment or removal of "your product" or "your work"; or
- b. Your fulfilling the terms of the contract or agreement.

9. "Insured contract" means:

- a. A contract for a lease of premises. However, that portion of the contract for a lease of premises that indemnifies any person or organization for damage by fire to premises while rented to you or temporarily occupied by you with permission of the owner is not an "insured contract";

- c. Any easement or license agreement, except in connection with construction or demolition operations on or within 50 feet of a railroad;
- d. An obligation, as required by ordinance, to indemnify a municipality, except in connection with work for a municipality;

- f. That part of any other contract or agreement pertaining to your business (including an indemnification of a municipality in connection with work performed for a municipality) under which you assume the tort liability of another party to pay for "bodily injury" or "property damage" to a third person or organization. Tort liability means a liability that would be imposed by law in the absence of any contract or agreement.

Paragraph f. does not include that part of any contract or agreement:

- (1) That indemnifies a railroad for "bodily injury" or "property damage" arising out of construction or demolition operations, within 50 feet of any railroad property and affecting any railroad bridge or trestle, tracks, road-beds, tunnel, underpass or crossing;
- (2) That indemnifies an architect, engineer or surveyor for injury or damage arising out of:
 - (a) Preparing, approving, or failing to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; or

(b) Giving directions or instructions, or failing to give them, if that is the primary cause of the injury or damage; or

- b. While it is in or on an aircraft, watercraft or "auto"; or
- c. While it is being moved from an aircraft, watercraft or "auto" to the place where it is finally delivered;

but "loading or unloading" does not include the movement of property by means of a mechanical device, other than a hand truck, that is not attached to the aircraft, watercraft or "auto".

12. "Mobile equipment" means any of the following types of land vehicles, including any attached machinery or equipment:

- a. Bulldozers, farm machinery, forklifts and other vehicles designed for use principally off public roads;

(1) Air compressors, pumps and generators, including spraying, welding, building cleaning, geophysical exploration, lighting and well servicing equipment; or

(2) Cherry pickers and similar devices used to raise or lower workers;

- f. Vehicles not described in a., b., c. or d. above maintained primarily for purposes other than the transportation of persons or cargo.

However, self-propelled vehicles with the following types of permanently attached equipment are not "mobile equipment" but will be considered "autos":

- (1) Equipment designed primarily for:

- (a) Snow removal;
- (b) Road maintenance, but not construction or resurfacing; or
- (c) Street cleaning;

- (2) Cherry pickers and similar devices mounted on automobile or truck chassis and used to raise or lower workers; and

- a. False arrest, detention or imprisonment;

- (b) When all of the work to be done at the job site has been completed if your contract calls for work at more than one job site.
- (c) When that part of the work done at a job site has been put to its intended use by any person or organization other than another contractor or subcontractor working on the same project.

Work that may need service, maintenance, correction, repair or replacement, but which is otherwise complete, will be treated as completed.

- b. Does not include "bodily injury" or "property damage" arising out of:

- (1) The transportation of property, unless the injury or damage arises out of a condition in or on a vehicle not owned or operated by you, and that condition was created by the "loading or unloading" of that vehicle by any insured;
- (2) The existence of tools, uninstalled equipment or abandoned or unused materials; or
- (3) Products or operations for which the classification, listed in the Declarations or in a policy schedule, states that products-completed operations are subject to the General Aggregate Limit.

17. "Property damage" means:

- a. Physical injury to tangible property, including all resulting loss of use of that property. All such loss of use shall be deemed to occur at the time of the physical injury that caused it; or

Revision To Pollution Exclusion

Introduction

We are revising the pollution exclusion contained in the Commercial General Liability (CGL) and Owners and Contractors Protective Liability (OCP) Coverage Forms to:

- ♦ provide certain additional incidental pollution coverage;
- ♦ clarify coverage intent; and
- ♦ improve readability.

Similar changes are also being made to the Pollution Exclusion in the Railroad Protective Liability Coverage Part.

Background

Currently, the pollution exclusion in Section I - Coverages - Bodily Injury and Property Damage Liability in the CGL and OCP coverage forms reads as follows:

This insurance does not apply to:

- (1) "Bodily injury" or "property damage" arising out of the actual, alleged or threatened discharge, dispersal, seepage, migration, release or escape of pollutants:
 - (a) At or from any premises, site or location which is or was at any time owned or occupied by, or rented or loaned to, any insured;
 - (b) At or from any premises, site or location which is or was at any time used by or for any insured or others for the handling, storage, disposal, processing or treatment of waste;
 - (c) Which are or were at any time transported, handled, stored, treated, disposed of, or processed as waste by or for any insured or any person or organization for whom you may be legally responsible; or

- (d) At or from any premises, site or location on which any insured or any contractors or subcontractors working directly or indirectly on any insured's behalf are performing operations:
 - (i) If the pollutants are brought on or to the premises, site or location in connection with such operations by such insured, contractor or subcontractor; or
 - (ii) If the operations are to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of pollutants.

Subparagraph (d)(i) does not apply to "bodily injury" or "property damage" arising out of the escape of fuels, lubricants or other operating fluids which are needed to perform the normal electrical, hydraulic or mechanical functions necessary for the operation of "mobile equipment" or its parts, if such fuels, lubricants or other operating fluids escape from a vehicle part designed to hold, store or receive them. This exception does not apply if the fuels, lubricants or other operating fluids are intentionally discharged, dispersed or released, or if such fuels, lubricants or other operating fluids are brought on or to the premises, site or location with the intent to be discharged, dispersed or released as part of the operations being performed by such insured, contractor or subcontractor.

Subparagraphs (a) and (d)(i) do not apply to "bodily injury" or "property damage" arising out of heat, smoke or fumes from a hostile fire.

As used in this exclusion, a hostile fire means one which becomes uncontrollable or breaks out from where it was intended to be.

(2) Any loss, cost or expense arising out of any:

- (a) Request, demand or order that any insured or others test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of pollutants; or
- (b) Claim or suit by or on behalf of a governmental authority for damages because of testing for, monitoring, cleaning up, removing, containing, treating, detoxifying or neutralizing, or in any way responding to, or assessing the effects of pollutants.

Pollutants means any solid, liquid, gaseous or thermal irritant or contaminant, including smoke, vapor, soot, fumes, acids, alkalis, chemicals and waste. Waste includes materials to be recycled, reconditioned or reclaimed.

In addition, mandatory endorsement CG 00 54 provides that:

Subparagraph (a) does not apply to "bodily injury" if sustained within a building and caused by smoke, fumes, vapor or soot from equipment used to heat that building.

Explanation of Changes

Change #1

Several changes are being made to the pollution exclusion to improve readability. These changes are described below:

- ◆ The definitions of "pollutants" and "hostile fire," which are contained within the current exclusion, are being moved to the Definitions Section. The definitions of "hostile fire" and "pollutants" remain unchanged. These terms will now be in quotation marks wherever they are used in the exclusion to indicate that they are now defined terms.

As a result, the numbering of the Definitions Section in CG 00 01, CG 00 02 and CG 00 09 has been revised.

- ◆ The numbering and lettering in certain areas of the pollution exclusion are being revised.
- ◆ Exceptions to specific subparagraphs of the exclusion are now built into the subparagraphs they modify rather than being placed at the end of the whole paragraph.

Change #2

Paragraph (1)(a) is revised as follows:

- (1) "Bodily injury" or "property damage" arising out of the actual, alleged or threatened discharge, dispersal, seepage, migration, release or escape of "pollutants":
 - (a) At or from any premises, site or location which is or was at any time owned or occupied by, or rented or loaned to, any insured. However, this subparagraph does not apply to:
 - (i) "Bodily injury" if sustained within a building and caused by smoke, fumes, vapor or soot from equipment used to heat that building.
 - (ii) "Bodily injury" or "property damage" for which you may be held liable, if you are a contractor and the owner or lessee of such premises, site or location has been added to your policy as an additional insured with respect to your ongoing operations performed for that additional insured at that premises, site or location and such premises, site or location is not and never was owned or occupied by, or rented or loaned to, any insured, other than that additional insured; or
 - (iii) "Bodily injury" or "property damage" arising out of heat, smoke or fumes from a "hostile fire".

As compared to current subparagraph (1)(a), new subparagraph (1)(a) contains the following new exceptions, lettered (i)-(iii):

- ◆ Subparagraph (i) is being incorporated from current multistate mandatory endorsement CG 00 54 03 97 - Amendment Of Pollution Exclusion - Exception For Building Heating Equipment, which was approved in previous multistate filing GL-96-096ME. With the approval of this subject filing, endorsement CG 00 54 is being withdrawn.
- ◆ Subparagraph (ii) is added to provide coverage to the named insured for liability arising out of a release of pollutants at certain premises, sites or locations which are or were at any time owned or occupied by, or rented or loaned to, an additional insured for which the named insured is performing operations under certain circumstances. As a result, a contractor retains the coverage afforded by exceptions to current paragraphs (1)(d)(i) when the contractor adds the building owner to his or her policy as an additional insured.
- ◆ Subparagraph (iii), which is the current hostile fire exception, has been moved closer to the paragraph which it modifies to improve readability. The term "hostile fire" is now being defined in the DEFINITIONS Section in the same manner as it appears in the current exclusion.

Change #3

New subparagraph (1)(d), which replaces current subparagraph (1)(d), excludes coverage for:

- (1) "Bodily injury" or "property damage" arising out of the actual, alleged or threatened discharge, dispersal, seepage, migration, release or escape of "pollutants":
 - (d) At or from any premises, site or location on which any insured or any contractors or subcontractors working directly or indirectly on any insured's behalf are performing operations if the "pollutants" are brought on or to the premises, site or location in connection with such operations by such insured, contractor or subcontractor. However, this subparagraph does not apply to:
 - (i) "Bodily injury" or "property damage" arising out of the escape of fuels, lubricants or other operating fluids which are needed to perform the normal electrical, hydraulic or mechanical functions necessary for the operation of "mobile equipment" or its parts, if such fuels, lubricants or other operating fluids escape from a vehicle part designed to hold, store or receive them. This exception does not apply if the "bodily injury" or "property damage" arises out of the intentional discharge, dispersal or release of the fuels, lubricants or other operating fluids are intentionally discharged, dispersed or released, or if such fuels, lubricants or other operating fluids are brought on or to the premises, site or location with the intent that they be discharged, dispersed or released as part of the operations being performed by such insured, contractor or subcontractor;
 - (ii) "Bodily injury" or "property damage" sustained within a building and caused by the release of gases, fumes or vapors from materials brought into that building in connection with operations being performed by you or on your behalf by a contractor or subcontractor; or
 - (iii) "Bodily injury" or "property damage" arising out of heat, smoke or fumes from a "hostile fire."

As compared to current subparagraph (1)(d)(i), new paragraph (1)(d) contains a new exception for the release of gases, fumes or vapors from materials brought into a building in connection with operations being performed by or on behalf of the insured. This new exception provides coverage for injury or damage resulting

from pollutants such as paint or glue fumes released during a contractor's operations. New subparagraph (1)(d)(i) has been editorially revised to improve readability. Additionally, paragraph (1)(d) has been made easier to read by placing the exception for operating fluids from mobile equipment and the exception for heat, smoke or fumes from a hostile fire, closer to the paragraph to which they affect, as shown in subparagraphs (1)(d)(i) and (iii).

As a result of these changes, current paragraph (1)(d)(ii) has been renumbered as paragraph (1)(e).

Change #4

Paragraph (2) has been revised to add an exception to clarify that this paragraph is not intended to exclude coverage for property damage claims which are otherwise covered and are not subject to paragraph (1) of the exclusion. For example, if "property damage" is covered, to the extent that repair of such damage necessitates clean up, that coverage is not excluded by paragraph (2). Revised paragraph (2) excludes coverage for:

- (2) Any loss, cost or expense arising out of any:
 - (a) Request, demand, ~~or~~ order or statutory or regulatory requirement that any insured or others test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, "pollutants"; or
 - (b) Claim or suit by or on behalf of a governmental authority for damages because of testing for, monitoring, cleaning up, removing, containing, treating, detoxifying or neutralizing, or in any way responding to, or assessing the effects of, "pollutants".

However, this paragraph does not apply to liability for damages because of "property damage" that the insured would have in the absence of such request, demand, order or statutory or regulatory requirement or such claim or "suit" by or on behalf of a governmental authority.

Impact

Coverage

These revisions to the pollution exclusion will broaden coverage as follows:

- ◆ Coverage will now be provided to the named insured for liability arising out of a release of pollutants at certain premises, sites or locations which are or were at any time, owned or occupied by, or rented or loaned to, an additional

insured for which the named insured is performing operations as a contractor under certain circumstances.

- ◆ Coverage will now be provided for bodily injury or property damage sustained within a building and caused by the release of gases, fumes or vapors from materials brought into that building in connection with operations as a contractor being performed by or on behalf of any insured.

Coverage is also clarified with respect to certain third-party property damage claims with respect to clean-up by indicating that paragraph (2) of the exclusion does not nullify coverage not excluded by paragraph (1) of the exclusion.

Revision To Personal And Advertising Injury Liability (Coverage B)

Introduction

We are rewriting Coverage B, Personal and Advertising Injury Liability, to:

- ♦ employ one definition: "personal and advertising injury";
- ♦ revise offenses relating to advertising;
- ♦ add a new definition for the term "advertisement";
- ♦ add, delete and revise various exclusions; and
- ♦ provide for better readability.

Background

Description of Current Coverage B Trigger

Currently, there are separate definitions for "personal injury" and "advertising injury":

"Advertising injury" means injury arising out of one or more of the following offenses:

- a. Oral or written publication of material that slanders or libels a person or organization or disparages a person's or organization's goods, products or services;
- b. Oral or written publication of material that violates a person's right of privacy;
- c. Misappropriation of advertising ideas or style of doing business; or
- d. Infringement of copyright, title or slogan.

and

"Personal injury" means injury, other than "bodily injury", arising out of one or more of the following offenses:

- a. False arrest, detention or imprisonment;
- b. Malicious prosecution;
- c. The wrongful eviction from, wrongful entry into, or invasion of the right of private occupancy of a room, dwelling or premises that a person occupies by or on behalf of its owner, landlord or lessor;

- d. Oral or written publication of material that slanders or libels a person or organization or disparages a person's or organization's goods, products or services; or
- e. Oral or written publication of material that violates a person's right of privacy.

Two of the exhibited offenses:

- ♦ Oral or written publication of material that slanders or libels a person or organization or disparages a person's or organization's goods, products or services; and
- ♦ Oral or written publication of material that violates a person's right of privacy

are offenses under both "personal injury" and "advertising injury". In order to make these offenses mutually exclusive, the current Insuring Agreement for Coverage B is phrased as follows:

This insurance applies to:

- (1) "Personal injury" caused by an offense arising out of your business, excluding advertising, publishing, broadcasting or telecasting done by or for you;
- (2) "Advertising injury" caused by an offense committed in the course of advertising your goods, products or services; but only if the offense was committed in the "coverage territory" during the policy period.

In addition, the following exclusion applies to "advertising injury":

2. Exclusions

This insurance does not apply to:

b. "Advertising injury" arising out of:

- (4) An offense committed by an insured whose business is advertising, broadcasting, publishing or telecasting.

Under "personal injury", advertising, publishing, broadcasting or telecasting done by or for the Named Insured is excluded so that such activities are not covered as personal injury offenses. This also excludes coverage for certain exposures related to the media. These exposures typically receive special coverages and underwriting considerations, because they present a level of advertising and communications risk beyond the scope of what is intended to be covered by the CGL policy. Specialty policies are frequently utilized in the marketplace for such coverage.

Advertising Issues

As part of ISO's ongoing review of coverage, we have monitored court cases over the past several years revolving around Advertising Injury. Highly publicized

decisions such as *American Economy Ins. Co. v. Rehouns, Inc.*, 900 F.Supp. 1246 (N.D.Cal. 1994) and *Bank of the West v. Superior Court*, 2 Cal. 4th 1254, 833 P.2d. 545, 10 Cal. Rptr. 2d. 538 (1992) have discussed such issues as trademark infringement and the scope of what are advertising activities.

In the intermediate appellate decision in *Bank of the West v. Superior Court*, 4 Cal. App 4th 1622, 277 Cal. Rptr. 219 (1st Dist., Div. 4, 1991) *rev. granted*, 3/28/91, a California Court of Appeals ruled that there was coverage under the non-simplified Broad Form endorsement for consumer suits that were filed against the bank alleging a variety of loan practices which allegedly violated federal truth in lending laws. The court considered this to be committed in the course of the insured's advertising activities.

This decision was eventually overturned by the California Supreme Court. Although the current language wasn't in question, the decision raised the question of what the term "advertising activities" means. There are obviously more ways to advertise than ever. Classic examples of advertising are linked to an advertisement's distribution through newspapers, billboards, television and radio. But a close look at the surrounding environment will find an advertisement in many other forms: messages on T-shirts, milk cartons, mass mailings and vehicles are a few examples. Advertising has also emerged into the age of the computer, and businesses are finding advantages to advertising their goods, products or services on the Internet or other on-line services.

There have also been court decisions finding infringement of trademark as a covered offense under advertising injury. In the non-simplified broad form General Liability endorsement, the term "piracy" was a covered offense, and at times was broadly construed. With simplification, use of the term "piracy" was discontinued, therefore negating the need for specific exclusions for infringement of trademark, service mark or trade name other than titles or slogans. However, in *American Economy Ins. Co. v. Rehouns, Inc.*, 900 F.Supp. 1246 (N.D.Cal. 1994), the California District Court believed it reasonable for the insured, under the simplified Commercial General Liability Coverage Form's language, to "expect that the meaning of 'infringement of title' would encompass...use of another's name or designation in an advertisement, whether or not the name or designation was a 'trademark'" (900 F. Supp. at 1252). Other courts have found trademark infringement not covered. See, e.g., *Advance Watch Co., Ltd. v. Kemper National Ins. Co.*, 99 F.3d 795 (6 Cir. 1996).

The changes made in this Coverage B re-write are a result of several factors. One is the changing methods of advertising. Another is the changing nature and importance of intellectual property. The cases described above are just a few of the catalysts which caused us to examine Coverage B in its entirety.
