FIRST STEPS AFTER A TORNADO

United Policyholders is a nonprofit organization that is a voice and an information resource for insurance consumers in all 50 states. UP has helped guide fire survivors on the road to recovery since 1991. Here is a checklist to help you use your insurance and keep you on track during this stressful time.

- Take care of your family’s immediate needs first.
- Finding temporary housing is a priority. Your insurance company should help you find a place of similar size.
- Start a claim diary and take notes on: who you talked to, the number you called, date and time, what was said.
- Keep your paperwork organized.
- Request a complete and current copy of your insurance policy. Make a “working copy” and circle all dollar amounts and additional coverage amounts.
- Talk with your insurance adjuster regarding cash advances for:
  - Living expenses
  - Replacing personal property
- Keep all receipts while you are displaced. Hotel bills, clothes and pet boarding may be reimbursed but require receipts.
- Take photos of your property before any cleanup is done.
- Do not rush into signing contracts. Get copies of ALL paperwork you do sign.
- Register with FEMA (federally declared disaster areas) and the SBA (federal and state declared disasters)
- Register with a Red Cross Case Manager – they can help make referrals to resources you may need.
