About United Policyholders (UP)

• A 501(c)3 not-for-profit organization with a Platinum Guidestar rating and a national corps of professional and disaster survivor volunteers

• 31 years of advocating for fair sales and claims practices and helping solve problems that impede consumers’ ability to be indemnified in case of loss through insurance products.

• Working in coordination with insurance regulatory agencies, public officials and stakeholders

• A trusted information resource and respected voice for insurance consumers in all 50 states

• Funded by donations and grants
Our Three Programs

• Roadmap to Recovery®
  – Helping individuals and businesses solve insurance coverage and claim problems.

• Roadmap to Preparedness®
  – Increasing disaster preparedness by promoting savvy shopping, inventorying and insuring property to value, and mitigation

• Advocacy and Action
  – Advocating for insurance consumers in courts of law, legislative and other public policy forums, and in the media.
“This changes everything”

- Climate change is profoundly impacting the P/C marketplace, coverage, claims and loss recovery financing

- Regulators and consumers face challenges related to the availability, affordability and quality of property insurance

- Predictive technology (modeling and risk scores) is both helping and hurting.

- Institutionally supported risk reduction is imperative

- Significant progress related to wildfire mitigation in 2022

Wildfire Risk Reduction and Asset Protection Project ("WRAP")

A regular convening of public and private stakeholders, firefighting pros, community-based risk reduction advocates, public officials and agency reps, fire scientists working together to:

1) Reduce wildfire risk and restore home insurance availability and affordability in WUI and other regions

2) Establish “official” standards for wildfire risk reduction

3) Build financial and technical assistance options for homeowners to make risk reduction improvements

4) Incentivize homeowners to pro-actively reduce wildfire risk by making it easier for them keep their homes insured.
