  – *Standing up for consumers in courts of law, legislative and other public policy forums, and in the media.*
Above, R to L: After his insurer threatened to drop him, a Moraga, CA homeowner contacted his local Fire Dept. for help. UP’s Amy Bach rode along with local fire officials as they inspected and prescribed steps to reduce risk and retain his coverage.

If you make improvements to your home so it is less likely to be seriously damaged or destroyed in a wildfire, it's only fair that your insurance costs should reflect that reduced risk...or at the very least, you should be able to find and keep affordable home insurance.
2014 – CO Wildfire Partners program launched

2016 -CA Gov’s Tree Mortality Working Group, Insurance Subgroup – rural FDs assisting homeowners w/insurer communications, Oakland FSC bond measure to finance brush reduction

2017 – Mega fires, FireLine Scoring, non-renewal crisis

2020 – Interagency Partnership, UP WRAP initiative launched, working group convened, Measure “C” establishes mitigation funding, MWPA

2021/2022 – Three sets of standards (mostly overlapping), Wildfire Prepared Home launch, Significant increase in funding for wildfire risk reduction

2022 – CA DOI regulations finalized, rate adjustment filings pending, Risk Score transparency initiative
A regular convening of public and private stakeholders, firefighting pros, community-based risk reduction advocates, public officials and agency reps, fire scientists working together to:

1) Reduce wildfire risk and restore home insurance availability and affordability in WUI and other regions

2) Establish “official” standards for wildfire risk reduction

3) Build financial and technical assistance options for homeowners to make risk reduction improvements

4) Incentivize homeowners to pro-actively reduce wildfire risk by making it easier for them keep their homes insured.

Home/Residential Insurance

Shop Around
Whether you are interested in purchasing, reviewing or replacing homeowners, renters, condominium or mobile home insurance, it is important to shop and compare insurance products just like you would when shopping for any other important consumer purchase. Since residential insurance often protects your largest financial investment, plan on spending some time to conduct a search of the insurance marketplace.

The California Department of Insurance (CDI) provides several information guides, tips and tools to help you understand home/residential insurance so that you can make the best decision for your situation. If you do not find the information you need, we invite you to call our Consumer Hotline for assistance. Our dedicated insurance experts are available to assist you.

What If I Can't Find Insurance?
If after shopping the market you are still having difficulty obtaining residential insurance, you may want to contact the California FAIR Plan to explore your coverage options. As the insurer of last resort, the California FAIR Plan should only
