EMERGENCY ORDER 4-1-2023

As a result of extensive damage to insured properties in this State from the tornado or storm damage occurring on March 31, 2023, the Insurance Commissioner hereby orders all property and casualty insurers with affected insured claims losses in this State, to employ and engage all insurance adjusters for licensed carriers to begin processing and adjusting claims immediately, and this requirement shall apply on a going forward basis, within the next fifteen (15) days. All property and casualty carriers shall immediately engage their catastrophic teams to assess and adjust claims on an immediate basis and shall contact every insured which has filed a claim within ten (10) days to schedule a review of the losses.

A handwritten signature in blue ink, appearing to read "Alan McClain", is written over a horizontal line.
