### STEPHANIE PUTNAM

*Director of Winemaking, Napa*

RAYMOND VINEYARDS | JCB | NAPA CUT | SECRET INDULGENCE | LVE

Stephanie Putnam is the Director of Winemaking at Raymond Vineyards, where she oversees all aspects of winemaking for this iconic Napa Valley winery. A Northern California native and graduate of U.C. Davis with a B.S. in Fermentation Science, Stephanie developed her passion for winemaking at an early age thanks to her family's appreciation of gourmet food and wine.

Before joining the Boisset Collection team, Stephanie spent eight years as winemaker at Far Niente Winery, where she contemporized that winery's house style. Prior to that, she was part of the team at Hess Collection, where she began as a cellar worker and rapidly progressed to winemaker.

Stephanie's winemaking style and philosophy centers around creating balanced wines that are the truest expression of Napa Valley and its extraordinary terroir. Wines that exemplify harmony and balance are what she enjoys personally, and this also influences the style of wine she creates. Stephanie's wines have won acclaim, including recognition in Wine Enthusiast's Top 100, Wine Spectator's Top 100 Wines and under her direction, the Raymond portfolio has consistently achieved 90+ ratings and reviews from top publications.

### BRIAN MALONEY

*Director of Winemaking, Sonoma County*

BUENA VISTA WINERY | DeLOACH VINEYARDS | JCB | SECRET INDULGENCE | AMERICAN VINTAGE

Brian Maloney was born on his family's historic ranch in the Petaluma Gap straddling the Marin and Sonoma County border. Inspired by his grandmother's stories of her father's struggles to grow grapes and make wine in the Calistoga area before, during and after Prohibition, he enrolled in the world-famous Viticulture and Enology program at the University of California, Davis. While there, he fell in love with the diverse nature of the discipline and began a series of internships with wineries in Sonoma, Marin and the Sierra Foothills. Following graduation, he worked the harvest of 2003 at DeLoach Vineyards and has remained there ever since, playing a key role in elevating the winery's Pinot Noir pedigree, expanding its vineyard designate program and planting and establishing its Biodynamic® estate vineyard.

In 2011 he oversaw the rebirth of the legendary Buena Vista Winery in Sonoma and in 2012, along with his team, was the first to make wine in the historic Champagne cellars in over 30 years.

With generations of farming and winemaking in his background, Brian has always taken to letting the terroir show first. Whether with cool climate Pinot Noir or Old Vine Zinfandel, his ultimate goal is to let the interaction between the site, the vine and the grower shine through to set the style of the wines. This has led to amazing accolades and awards for his wines, including an impressive array of 90+ scores from top publications.
