Dropped by your home insurer?
Steps to take in California

Act Promptly
Read the paperwork from your insurer. Contact them and ask if there are home improvements you can make that will get them to reverse their decision to drop you. Note: The non-renewal notice must be sent to you 75 days before the policy expires. www.uphelp.org/droppedCA

Know Your Rights & Get Help
If you believe that you are being non-renewed in violation of the law, file a "Consumer Complaint" with the California Department of Insurance www.insurance.ca.gov/01-consumers

Shop for Options
Work with a good agent to find all options including "non-admitted" insurers. Watch UP shopping help videos and use CDI tools: www.uphelp.org/cainsurancehelp

Be Prepared to Pay More, Avoid Cutting Coverage
Aim to insure your home for what it would cost to rebuild it and the risks you face in your area. Keep good notes of your conversations. Avoid being in the ⅔ of homes in the US that are underinsured. www.uphelp.org/checkup

Last Resort
The California FAIR Plan (CFP) offers basic fire protection if you can't find a "regular" company to insure you. Consider pairing a CFP policy with a "difference in conditions" policy to fill gaps in what CFP policies don’t cover. www.uphelp.org/CFP
